FUNDRAISING FAQ

I very much believe in philanthropy, and would love to help you raise money for your cause!

What does *Tamiza's Treats* sell?

Yummy and delicious treats! Tamiza's Treats is a small artisan bakery and treat shop featuring delicious and unique sweet and savory treats. I offer a range of small T cakes, biscotti, cookies, fudge, savory small breads, caramel popcorn, fudge and more! Including a selection of gluten-free items, dairy-free items, no sugar added items, and vegan items. *Available in the greater Los Angeles / Southern California area only.*

How do we fundraise?

Fundraising events are easy to arrange with three options, or a combination:

- **Pre-order sale:** Pre-order and prepay items online. Your members will place orders by a certain date, and then I will deliver the items on a specified date to a single location (usually a meeting or gathering).
- **In-person sale:** I will set up a display at your meeting, special event, house party, etc.
- **In-store purchases:** We establish a campaign timeframe and code and/or flier, and all purchases (treats and gifts) made in my store during this timeframe with this code/flier will be tallied.

How much lead time do we need to schedule a fundraising event?

- Pre-order sales and In-store purchases: recommend that your campaign last 30-60 days.
- In-person sales can be held as soon as a mutually available date is identified.

How much will we make?

You will make 15% of the total purchase price of sales generated from your supporters.

- BONUS: I provide free delivery for the Pre-order sale to a single location.
- BONUS: Campaigns that generate \$2000 or more in sales, 20% will be donated.

How quickly will we receive our funds?

A check will be issued within one week of all payments submitted and the closure of the campaign/event.

Please contact me (by email tamiza@tamizastreats.com or come to my store) to discuss your fundraiser.
